You and your friends have the private use of our gym to experience an action-packed, fun filled hour and a half birthday celebration. Our trained instructors will supervise the kids as they swing on bars, jump on trampolines, and climb and tumble through obstacle courses. Our experienced and energetic instructors lead games and other activities appropriate to the participants ages for a full hour. We finish up with an "awards ceremony" where participants receive a birthday medal that hangs around their neck and the birthday child receives a trophy with birthday wishes from Twist Gymnastics. The party doesn't stop in the gym because for the next half hour it's into the party area to continue the fun with refreshments you provide!
